Hobbies / Interests

Please share your details ☺

Reading books, Blog writing, Dancing, Cooking, Sharing my learnings through LinkedIn.

About me... Few liners/description about you
I'm an affable, bold, deterministic and optimistic person who always believe that joy comes from honest and truthful. I believe in collaboration and open communication. I love to share my learnings with others. When people hear my name, with a smile on their face they should think she is such a supportive, helpful, positive minded and energetic person.
